The singing for the Baptist pro-
tracted meeting to begin soon at
the local Baptist church will be led
by Joe Harvey Wilson, a Hondo boy.
Not many of Joe's friends knew that
he had developed into choir leader,
but he has been at the Southwestern
University for the past term, and
that is what Universities are for—
to find out and develop one's talents.
That we voice the sentiment of his
friends when we wish that he may
succeed in using his gift of song to
the good of humanity, we feel as-
sured.

Will Conduct Revival

REV. KERMIT T. MELUGIN,
Pastor at Gulf, Texas.REVIVAL AT THE HONDO
BAPTIST CHURCH.

Remember the revival begins Sun-
day, June 12th.

The preaching will be done by Rev.
Kermitt T. Melugin, pastor at Gulf,
Texas.

This young man will bring us good
earnest gospel messages inspired by
the spirit of love and an eager desire
to serve the spiritual interests of all
who may attend the services.

Bro. Joe Wilson will lead the sing-
ing, which will consist of inspirational
and soul stirring gospel songs, designed
to drive away our gloom and sor-
row and inspire us in hope and cour-
age for a better tomorrow. Besides
the adult choir he will organize our
young folks into a booster choir and
have a happy good time during the
meeting.

Remember the meeting begins Sun-
day, June 12th. Come, be at the
first service.

The pastor will preach at the morn-
ing hour and Bro. Joe Wilson at
night. Bro. Melugin will begin Mon-
day night and continue right on
through the meeting.

Hear Bro. Joe Sunday night.

Everybody invited.

THE PASTOR.

ant sociability engendered by the
occasion. All congratulated the happy
young couple and wished them
Godspeed for a happy and prosperous
future. Both the groom, who was
born and raised at Sturm Hill, and
the bride are well and favorably
known in the Quihi Community,
where the bride was born and raised.

Mr. and Mrs. Balzen are highly re-
spected and enjoy the friendship and
esteem of a large circle of friends
who all wish them much joy and
genuine happiness on their mutual
way through life. Temporarily the
young couple will make their home
with Mr. and Mrs. John Schuehrs,
but intend to establish themselves in
Hondo permanently as soon as suit-
able quarters can be had. The Anvil
Herald joins the many relatives and
friends of Mr. and Mrs. Balzen in
wishing them a long, happy and pros-
perous married life.

Thursday afternoon at 4 o'clock, a
very pretty home wedding took place
in the hospitable country home of
Mr. and Mrs. John Schuehrs of the
Quihi community. The contracting
parties were Mr. Hugo R. Balzen and
Miss Luren S. Schuehrs, the charming
and youngest daughter of Mr. and
Mrs. Schuehrs. The beautiful ring
service which made "the twain one"
was held in the nicely arranged sit-
ting room and was performed by Rev.
Hasskarl of the Quihi Lutheran
church and was witnessed by the
parents of both the groom and bride
and a number of close relatives.
Following the indoor ceremony, a
splendid wedding dinner was served
outdoors in the afternoon shade of
the old home. All present greatly
enjoyed the dinner and the concomi-
tants.

Thursday, June 2, at 8:30 P. M. at
the College Auditorium, and Miss
Lutz was the Valedictorian in a class
of 26 members.

This paper congratulates Miss Lutz
on her success.

THE HONOR FOR ANOTHER MEDINA ST. PAUL'S LUTHERAN CHURCH
COUNTY GIRL.

The Anvil Herald is in receipt of
a copy of the program for the An-
nual Commencement exercises of the
Sul Ross State Teachers College of
Alpine, 1926-'27 term. Among the
members of a large graduating class
in the Sub-College Department, gradu-
ating with High School Diplomas and
Elementary First-Class Certificates,
we note the name of Miss Hilda Mae
Lutz, a Medina County girl from the
Seco Community.

The graduating exercise took place
on June 12th, at 9:15 A. M., Sunday School;

10:30 A. M., German services.

On May 27 a church choir was
organized. It is working with fine
enthusiasm. The Luther League

Program last Sunday was well at-
tended, considering the road condi-
tions. The participants in the pro-
gram rendered their parts well, and
the audience seemed to enjoy the
varied numbers.

H. A. HEINEKE,
Pastor.

THIS MEANS YOU

Fire Chief C. J. Bless complains
of motorists going to fires getting in
the way of the fire engine, obstruct-
ing its passage, delaying the work
of the fireman and endangering life.

He asks that all give the fire en-
gine the right-of-way in case of a
fire alarm, and so help in both the
protection of property and of life.

A tragic accident will, soon or late,
be the price of carelessness or in-
difference to this reasonable request.

Keep out of the way of the fire
engine enroute to a fire!

AND IT RAINED.

Following a hot, sultry day Saturday,
a thunder and wind storm came
up about 9:30 o'clock in the evening.
It was sufficiently stormy to excite
uneasiness among the nervous, but
fortunately no damage was done and
a nice rain of 1.26 inches accom-
panied the bluster.

About the same hour Sunday night
the elements repeated pretty much
the same performance with a percipi-
tation of 1.48.

And on Monday afternoon a nice
shower of .28 of an inch fell here.

The three rains aggregated 3.02
inches and falling within forty-eight
hours greatly refreshed drooping
vegetation. Much of the corn was
past all help, but where not too far
gone this will assure some grain.
Cotton, while small, is fruiting rapidly
and on the whole the outlook for
the farmers has been greatly im-
proved by the rain.

Most of the creeks were up and
waterholes are generally filled, great-
ly to the relief of the stockmen.

LADIES FORTY-TWO.

The members of the Forty-Two
Club were delightfully entertained
Thursday evening with Mrs. L. J.
Brucks and Misses Bess and Lillian
Brucks as hostesses.

After several games were played
Mrs. Earl Boon held high score.

A color scheme of green and yellow
was carried out in the basket
tallies and in the green grab bag
where the "84" favors were hidden
wrapped in green paper.

Refreshments of olive nut sand-
wiches, angel food cake iced in yellow,
green limeade, with plate favors
of green all-day suckers were served
to the following: Mesdames Earl
Boon, Felix Batot, Ed Cameron, F.
S. Cockrell, Oscar Miller, Felix Rich-
ter, Aug. Schroeder, Laura Wel-
hausen, R. W. Speece, Earl Starne,
Fletcher Davis, Misses Dutz Davis,
Genevieve Brucks and the hostesses.
The hostesses for next time are
Mesdames Oscar Miller, F. S. Cock-
rell and Miss Jimmie de Montel.

Thh people of Devine had the chance of trying out their new storm houses, Saturday night and again Sunday night. Storm houses are a new thing with most Devine people; but recently they are getting quite popular, and are believed to have been the means of saving several lives. The News man has been here forty years and believes the recent storms are freaks; but we would have no scruples in going into a storm house if we should see a twister coming. There isn't much danger in big slowly rising clouds like those of last week, that are hours in coming up. The hot sultry afternoons, with shifting winds, and quickly forming clouds are the ones to watch.

(Late Last Week)

Last week's news met with all kinds of difficulties; first we failed to get it off Monday, then we tried to get it mailed on a different route and was delayed for some unavoidable reason finally came back to us, and now at this writing we are not sure whether it finally reached the editor's desk, or not; however, we will try to give a few news items for this week's issue.

This morning our community was shocked to hear the report that Mrs. Anton Hardt had been bitten by a rattlesnake while asleep on the porch; and is reported to be in a very critical condition.

Last Monday week, Rev. Wheeler and family moved into our midst, and Brother Wheeler preached his first sermon for us Sunday. There was a very large audience present for both the morning and night service.

MEDINA HEREFORD SHORT COURSE.

The educational outing known to thousands of farm families all over South Texas as the "Medina Short Course" is to be held again by the A. and M. College Extension Service at the same old place, the Medina Hereford Ranch in Bexar County on July 13, 14 and 15. The Ranch, now under new management, is co-operating with the San Antonio Chamber of Commerce and the Extension Service as before.

This is the fifth consecutive year this course has been given to folks in the South and Southwest, and the attendance which has grown steadily each year, is expected to increase healthily again this year.

A. L. Smith, District Agent of the Extension Service in charge, states that the same policies will be retained and that every effort will be made to make the educational work of a very practical nature. Demonstrations and action will be substituted for talks and lectures as much as possible.

The big idea of this Short Course is to provide a vacation for farm folks that will give them rest and pleasure at the same time that they are obtaining new ideas in farming and home making. Boys and girls, especially club members, find in this Encampment that fun which is the heritage of childhood, having it sensibly tempered with some good old practical schooling.

Provisions are being made for the comfort, entertainment and instruction of all who come, and a cordial invitation is extended to all farmers and ranchers and their families.

Field tours and studies of various aspects of the farm business on the ranch will form a prominent part of the South Texas Short Course Encampment at the Medina-Hereford Ranch, 20 miles west of San Antonio, just south of the Castroville Road, July 13, 14 and 15. Believing that folks would rather see a dairy cow ration actually mixed and fed than to listen to an exhausting lecture on the subject; that farmers prefer to tramp around looking at various new and old crops to sitting patiently through a learned discourse on the principles of crop rotation; and that seeing and doing is more interesting than listening; the A. and M. people who are giving the program announce their intention of putting on an active course for active people.

Similarly the women specialists from the College will prepare simple dishes and simple well-balanced meals; demonstrate short cuts in the household routine; and lead in the making of good looking clothes in an economical fashion.

In short, the A. and M. College, cooperating with the San Antonio Chamber of Commerce and the Ranch, is staging a real outdoor practical school for farmers and ranchers and their families. Four to six numbers of this program will be staged at every hour from nine until five, so that every boy and girl, as well as the grown folks, will have plenty of interesting things to see and hear and do all the while.

Between times will come games, stunts, singing, swimming, and motion pictures, to say nothing of the friendly chatting together that makes this Encampment each year the one big worth-while event in the agricultural life of South Texas.

When the farm folks from all over South Texas meet again at the Medina-Hereford Ranch in Bexar County for the Short Course in July, they will be impressed by the improvements that have been made to insure the comfort of visitors. A more adequate water supply has been secured and water piped to every part of the grounds. Sheep have pastured the weeds and grass down to the point that Mr. Chigger and family are plumb discouraged. Other minor changes have been made, and certain improvements in the methods of handling the crowds and the classes will be inaugurated this year.

Those who have attended this Short Course Encampment directed by the A. and M. College Extension Service will understand the above, but for the others the explanation is forthcoming that this event is a great rural picnic, school and inspirational meeting for the country people in

South Texas. It has been held for four straight years and because so many folks have said it was valuable to them it is being continued for the fifth time.

The Encampment is just what its title indicates, a camp. Whole families come to camp and eat under the live oaks on the high ground above the Medina River, taking in practical lessons in farming, livestock raising and home making in the daytime, relaxing for games and movies at night. There are programs for men, women, boys and girls.

It comes at a time when most farmers have little to do, July 13, 14 and 15, and it's free. See your County Agent.

DATES SET FOR ALTO FRIOS ENCAMPTMENT.

We are making great preparations this year for the best encampment in our history. We have a great program with some of the very best speakers in the country.

Judge O. S. Lattimore, who has been with us several years, will be back again, and will give three or four of his great addresses. He expects to remain throughout the encampment and help in every possible way to make it a success.

Dr. R. L. Powell, pastor of the First Baptist Church, San Marcos, will preach each night at 8:30 o'clock, following a good musical program of thirty minutes led by Bill Gordon, song leader, and Miss Imogene Raine, pianist.

Inspirational addresses will be delivered by Dr. J. J. Kellam, Rev. J. M. Garner, Rev. W. H. Joyner and other pastors throughout this section. Dr. I. E. Gates will speak each day from 11:45 to 12:30 on fundamental things in the Christian religion.

Sunday school addresses will be delivered by Chester Slimp, Lewis

Cochreham and Glenn Hyatt; B. Y. P. U. addresses will be delivered by Glenn Altman, William Pieper, and R. E. White; W. M. U. will be represented by Mrs. M. A. Hayden and Mrs. Jay Smith, both of whom will speak occasionally on the work. Study courses in W. M. U., B. Y. P. U. and Sunday School by good leaders. Rev. M. M. Fulmer will direct the Sunday School courses.

Vesper services will be conducted each evening from 7:30 to 8 o'clock by visiting pastors from this section.

Our denominational representatives and college presidents will be on hand to speak. Dr. E. P. Kennedy, pastor of the First Baptist Church of Uvalde, is our new president and will have charge this year.

The grounds will be in first class condition for the opening day. Tents will be stretched and wood provided for cooking, and all other conveniences possible will be made for the enjoyment and pleasure of those who come. There will be a store, cold drink stands and a restaurant, also a barber shop.

The roads are better now than at any other time in the history of the encampment. No one can have an excuse not to come. You can make any speed you wish on the roads you wish from any point.

We are expecting this year one of the greatest crowds we have ever had.

There is an art class of 55 members now being conducted on the grounds by Prof. Arpa of San Antonio. This class will continue for two weeks, and all the paintings will be left on the ground for sale. The very fact that an art class is being conducted on the grounds now by Prof. Arpa is a reason why all beauty lovers should come to Alto Frio for it is the most scenic spot in Texas for an encampment.

Why we sell the DUNLOP TIRE

FOR 39 YEARS Dunlop has been building the world's supreme tire. Dunlops wear longer because Dunlop knows how to build better at each vital point.

Take the hidden carcass beneath the tread. Dunlop owns its own cotton mills for no other purpose than to spin the best long-fibre cotton into the famous cable-twist cord that goes into this carcass.

The extra strength in these cords means an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

The extra "stretch" enables the carcass to give under severe blows, and to come back into its original position without internal injury.

The Dunlop tread—the toughest rubber development known—wears slowly and smoothly, making sure that you get out of your Dunlops, all the extra mileage that added care and longer experience have built into them. **We recommend that you put Dunlops on your car.**

**R. WORD TALKS CHEVROLET
TRUCKS.**

Eight members of the Washington
Section, Society of Automotive En-
gineers, demonstrated the advantages
of standard automotive parts recent-
ly by assembling a half-ton Chev-
rolet chassis in the record time of
one and one-half minutes, in com-
parison with six other teams similar-
engaged. The stunt was a feature
of the Society's annual summer meet-
ing at French Lick, Ind.

While the assembled delegates de-
rived much amusement from watch-
ing the seven teams vie for a record
in a line of work with which they
were unfamiliar, except in theory,
the performance also carried its les-
son to many of the watchers. But
the perfectly-fitting parts, the
assembly might have required hours
instead of minutes. The elapsed
time was strikingly short, in view of
the fact that none of the assemblers
were connected with Chevrolet nor
familiar with its mechanical details.

Five of the winning team were en-
gineers of the United States Bureau
of Standards.

The slowest team required only a
few minutes longer than the fastest,
and its hurry added amusement to
the contest. As a test of each
team's work, each car had to be run
several times around a loop in the nearby
highway before the results were cer-
tified.

The seven trucks were shipped to
French Lick from the Chevrolet fac-
tory at Flint, Mich. Such parts as
the distributor assembly, the wiring
system, gasoline tank, carburetor, a
front and rear wheel, and various
other units, together with a miscel-
lany of bolts, nuts and screws, were
then removed and tossed into boxes
in the pits adjacent to the assembly
place. Equipped only with two sets
of tools such as are furnished with
each Chevrolet truck, each team had
to select the parts and put them in
their proper place.

"The quick assembly job performed
at French Lick offered a hint as
to the reason for the Chevrolet truck's
popularity", said Mr. Roy Word.
Trucks are business vehicles, and
the owner loses whenever they are
brought up for repairs. The seven teams
of the S. A. E. meeting demon-
strated that the owner himself can make
the needed replacement, in most
cases, with no equipment except that
furnished with his truck, and thus
keep his Chevrolet making money for
him with a minimum of interruption
and expense."

MY CHILDHOOD HOME

Today I am idly sitting
Dreaming the long hours away;
Yet mind them not as they're fleeting
But move with their gentle sway.

For they bear me back to childhood
And that old home on the hill;
Till again I roam the wildwood
In fancy with child's free will.

Out through the fields of bright daisies
And down through the pastures green;
Still farther on to the woodland
Till I reach the brooklet stream.

There I have fished with my brother
Oft times till day was near done;
Nor stopped till the voice of Mother
Would call us to homeward run.

I can feel again the pleasure
That followed a day of luck;
As we carried home our treasure
We caught in the running brook.

I see in the kitchen doorway,
Although many years have passed,
That sweet faced mother waiting
So glad we are home at last.

That dear old kitchen I cherish,
And the groups that gathered there;
The songs we sang shall ne'er perish,
But float on the evening air.

I was a child of bright nature,
From the lofty trees would swing;
Nor thought I then of the future
For there with birds I could sing.

But swings from their boughs are ended
And romps in their cooling shades;
For I have life's pathway wended
And reached its everglades.

But the old home still is nestling
On the hillside far away;
And the song birds still are whistling
In the trees at break of day.

And the fishes still are wrangling
In the brooklet as of yore;
As the children ever angling
Throw their lines to hook their lore.

And the daisies smile each morning
As they greet the rising sun;
And cows in the pasture lowing
Wend home when the day is done.

Ah! 'Tis sweet to dream of childhood,
If God grew us on a farm;
And feel the call of the wildwood
Enveloped in mystic charm.

My Childhood home! Sweet mem'ry's gem,
Though today so far away
In years and miles; I have spanned them
In the dreams I dream today.

Hiram had walked four miles over
an Ozark Mountain peak to call on
his lady fair. For a time they sat
silent on a bench by the side of her
log cabin, but soon the moon, as
moons do, had its effect, and Hiram
sidled closer to her and patted her
hand.

"Mary," he began, "I know I get
a clearin' over thar and a team an'
wagon an' some hay an' cows, an' I
callate on building a house this fall
and—"

Here he was interrupted by Mary's
mother who had been awakened.
"Mary," she called in a loud voice,
"is that young man thar yit?"

Back came the answer: "No, maw,
but he's gittin' thar."—Ex.

you ever had a serious illness, Mr.
Giles?" asked the medical man.

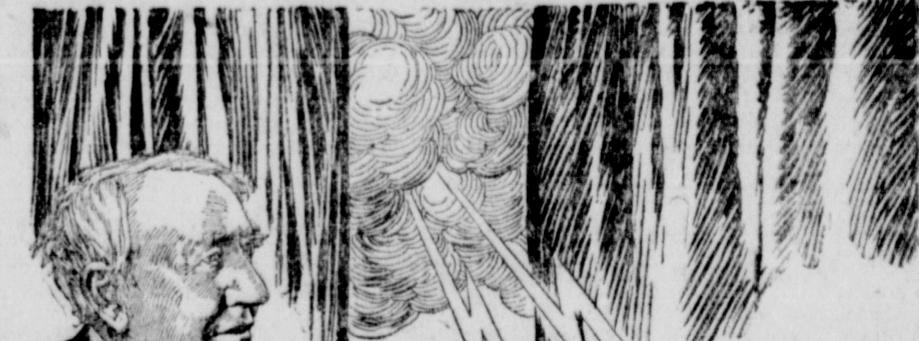

"No Sir."

"Ever had a bad accident?"

"No sir, leastwise it was hardly an
accident. One of my bulls tossed me
over a fence last May, though."

"But surely you call that an ac-

"Ah don't think that, sir. I think
the brute did it a-purpose."—Ex.

Thomas A. Edison's
Secret Recording Process

When the ears of the finest music
critics cannot tell the difference be-
tween the music of the artist in per-
son and the Edison Re-Creation of
that music, can there be any finer re-
cording process than the one invented
by Thomas A. Edison, inventor of
the phonograph?

No other phonograph records are
made by a similar process. Mr. Edi-
son, alone, knows all the details of
this carefully guarded secret process.
Into this infinitely exacting process
of recording in minute grooves all
the subtleties of vocal and instru-
mental music, the electrical wizard
poured all his skill, knowledge and
experience—one of his greatest
achievements. Never equalled by any
other make of record and never can
be—as long as the human ear contin-
ues to be the final arbiter of faithful
reproduction.

After you have heard all other makes,
then hear the Edison. Mr. Edison's
New Long Playing Phonograph and
Records are now being demonstrated.

Mrs. Muennink Entertains.

On last Thursday afternoon Mrs. Henry Muennink entertained the members of the Social Club and several additional friends at her home in a very charming manner.

After ten games of "42" Mrs. Louis Carle, Jr., received a lovely piece of china for high score and Mrs. O. J. Reinhart received low score prize.

Mrs. Muennink served a delicious salad course with bunches of Shasta daisies as plate favors. Members present were, Mesdames W. E. Albrecht, Louis Carle, Jr., O. J. Reinhart, Arnold Finger, Ben Koch and M. A. Zinsmeyer and Misses Nettie Rieber, Cora Finger and Josie and Lucy Rothe. Club guests were, Mesdames F. G. Muennink and Mimke Muennink of Hondo, Mrs. J. P. Ephraim and Mrs. Alf. Zinsmeyer.

Miss Koch Honored.

On June 1st, Misses Josie Rothe and Grace Zinsmeyer entertained Miss Cornelia Koch, a high school graduate of "Our Lady of the Lake."

At seven o'clock the guests were received at the home of Miss Zinsmeyer. From there all went out on a weiner roast.

After the weiners were roasted and the time well spent in feasting and merrymaking, the happy crowd returned to the Koch hall and spent the remainder of the evening in dancing. About 30 guests were present.

Base-Ball.

In a hard fought battle on the local diamond the D'Hanis team, composed of all home boys, defeated the 43rd Squadron of Kelly Field in a 14-inning game, 3 to 2.

One of the features was the endurance test placed upon Cross, who worked on the mound for the visitors the full 14 innings with 13 strikeouts to his credit.

For D'Hanis, T. Koch and J. Mueller each pitched seven innings, Koch getting 9 strike-outs and Mueller eight, while A. Finger took care of the receiving end.

At the end of the seventh inning the score stood 2 and 2 and remained so till the last half of the 14th when A. Boog of D'Hanis singled, stole second, and scored the winning run on A. Finger's drive between short and second.

Miss Josie Rothe is attending a term of summer school at Our Lady of the Lake at San Antonio.

Mrs. Hy. R. Wernette spent the week-end in San Antonio with relatives and friends.

Mr. and Mrs. Ed. Finger and son, Edward, were Alamo City visitors Monday.

Mr. and Mrs. Ahr and daughter, Vivian, of Castroville, were visiting Miss Marcell Ney Friday.

Miss Lena Reinhart spent Friday in San Antonio with her sister, Mrs. H. C. Mueller.

Mrs. Arthur Rothe and children were visiting Mrs. Jacob Reinhart at Sabinal Friday.

Miss Ethel, the oldest daughter of Mr. and Mrs. Pete Saathoff, was taken to the Hondo Hospital, where she was operated on for appendicitis.

Mr. and Mrs. Richard Ahr and baby visited Miss Marcell Ney Friday.

BUNCO.

Sunday night, June 5, 1927, the Bunco members were delightfully entertained at the home of Mr. and Mrs. Louis Carle, Jr. After 23 games of Bunco, Mrs. O. W. Tondre held high score, and Mrs. Wm. Brown low, while the gent's high fell to Mr. F. G. Muennink and low to Mr. O. W. Tondre. Consolation was awarded to Mrs. Frank Surovik.

Refreshments, consisting of cake, sandwiches, potato chips and ice tea, with Zinnias and Daisies as plate favors were served at tables to the following members:

Mr. and Mrs. O. W. Tondre, Mr. and Mrs. John Rieber, Mr. and Mrs. Frank Surovik, Mr. and Mrs. William Brown, Mr. and Mrs. F. G. Muennink, Mr. and Mrs. Ferdie Koch and Mr. and Mrs. Louis Carle, Jr.

Mrs. Louis Keller returned to her home at Devine after several weeks visited with her daughter, Mrs. Ferdie Koch.

Master Verner Koch and brothers, Marvin and Tyrus, are spending a few weeks with their grand parents, Mr. and Mrs. Louis Keller, at Devine.

Mr. William Holliday and father, William, Sr., from Pyote, Texas spent a few days here visiting Mrs. Holliday and children.

Mrs. Ferdie Koch and brother, Alex Keller, were Devine visitors Wednesday.

Mr. Aug. Brown visited Mrs. Brown in San Antonio Saturday and Sunday. Mrs. Brown had undergone an operation and is getting along fine.

Mr. and Mrs. H. C. Rothe, accompanied by Mrs. Rothe's sister, Mrs. George Gahn, and nephew, Master James Procas, of San Antonio, were guests of Mrs. Mary Rothe and family Monday and Tuesday.

Mr. and Mrs. William Brown and family were visiting Mrs. Walter Schwae at Knappa Sunday.

BOBBY WARREN WINDS UP WET.

The final appearance of the Bobby Warren Stock Company for its last week's engagement in Hondo wound up Saturday night in the midst of a thunder shower which spoiled the show and dampened every thing save the spirits of the crowd present.

The show started off beautifully and was progressing nicely until a storm broke right in the midst of the third act. Many of the audience hurried away but a few remained and the actors, some of them frightened almost into hysterics, went right on with the play while the swaying of the tent in the wind and the patter of the rain drops held the attention of the people and drowned the voices of the actors.

The thunder shower and the play wound up almost simultaneously, and the crowd filed out of the tent into the mud, but too happy over the rain to fret at discomfort.

The company left early Sunday morning for their next engagement at Nixon.
